# Nanodisc Human P2RY2 Protein

## HDFP421

### **Product Information**

Product SKU: HDFP421 Expression Host: HEK293 Size: 10μg

**Target**: P2RY2 **Tag**: C-Flag Tag

#### **Additional Information**

**Conjugate**: Unconjugated **Uniprot ID**: P41231

**Molecular Weight:** The human full length P2RY2 protein has a MW of 42.3kDa

#### **Protein Information**

**Background**: The product of this gene belongs to the family of P2 receptors, which is activated by

extracellular nucleotides and subdivided into P2X ligand-gated ion channels and P2Y

G-protein coupled receptors. This family has several receptor subtypes with different

pharmacological selectivity, which overlaps in some cases, for various adenosine and

uridine nucleotides. This receptor, found on many cell types, is activated by ATP and

UTP and is reported to be overexpressed on some cancer cell types. It is involved in

many cellular functions, such as proliferation, apoptosis and inflammation. Three

transcript variants encoding the same protein have been identified for this gene.

[provided by RefSeq, Mar 2013]

**Synonyms**: HP2U, P2RU1, P2U, P2U1, P2UR, P2Y2, P2Y2R

**Protein Description**: Human P2RY2 full length protein-synthetic nanodisc

Formulation: Lyophilized from nanodisc solubilization buffer (20 mM Tris-HCl, 150 mM NaCl, pH

8.0). Normally 5% - 8% trehalose is added as protectants before lyophilization. Please

see Certificate of Analysis for specific instructions. Do not use solvents with a pH

below 6.5 or those containing high concentrations of divalent metal ions (greater

than 5 mM) in subsequent experiments.

**Protein Pathways**: GPCRDB Class A Rhodopsin-like, Nucleotide GPCRs, Cancer, Cell Cycle.

**Protein Families:** GPCR, Transmembrane, Druggable Genome.

**Usage**: Research use only

Storage & Shipping:

Store at -20°C to -80°C for 12 months in lyophilized form. After reconstitution, if not intended for use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing). Lyophilized proteins are shipped at ambient temperature.
